Annual Sponsorship Levels

Our Annual Room Sponsorship program allows the community to help us provide an affordable "home away from home" for families and their critically ill children seeking medical treatment at Cincinnati Children's Hospital Medical Center. Room sponsors help underwrite the cost of one room's annual operating expenses. Please consider adopting a room at one of the following levels:

- A small room for a \$3,000 sponsorship
- A standard room for a \$5,000 sponsorship
- A long-term suite, built especially for transplant and immune-suppressed children and their parents, for a \$10,000 sponsorship

The Goal of our program

The goal of our program is to continue to provide families in need of supportive housing with comfortable, accessible, affordable bedrooms and all the comforts of home – plus a local support network – so they can fully focus on the healing of their children. Without our House, these families would usually sleep in the hospital lobby, a child's hospital room or even their cars, as most families cannot afford a hotel for weeks or months – especially under the financial stress of mounting medical bills.

We have 78 bedrooms and all the comforts of home to help lift the financial, physical and emotional burdens so parents, in turn, can give the best of themselves in caring for their children. A minimal fee of \$25 per night is asked of families, but no one is ever turned away due to inability to pay. (Our actual cost to operate a room is \$100 per night with guests paying an average of \$10 per night.) Our House serves all ages, socioeconomic levels, races and nationalities, welcoming all families who need a warm, caring environment in which to rest and thus be better able to support their seriously ill children.

We rely on the generosity of our community to provide the financial support needed to care for our guest families. Ronald McDonald House is neither owned nor fully funded by McDonald's or Cincinnati Children's. We do not receive city, state or federal grant funding and we are not a United Way agency. More than 87 percent of our annual operating revenue comes from individuals, corporations and foundations.

The Perfect Gift

Room sponsorships make the perfect gift and provide a unique opportunity to honor friends and loved ones, such as:

- Your children
- An Anniversary
- A Birthday
- The memory of a deceased relative or friend.

Benefits to You

Ronald McDonald House is proud to recognize our generous room sponsors in the following ways:

- A plaque on the door of your adopted room, which can be seen by thousands of individuals each year who take a tour of our House;
- Recognition in our newsletters and annual report;
- An invitation to attend our annual recognition luncheon where you will be able to tour our House and see first-hand the impact you are making on the lives of families in need;
- The use of our board room for meetings, celebrations, client cultivation, etc;
- Companies may choose to include Ronald McDonald House sponsorships in company newsletters to boost employee morale and/or participation. Your company may also choose to publicize your gift/involvement for additional PR benefits.
